## **SAFETY IS OUR NUMBER ONE PRIORITY**

Driving and the use of a motor vehicle on school property is a privilege. Failure to comply with all posted regulations and the laws of the **State of Vermont** regarding the safe use of any motor vehicle on Lake Region Property will result in the following:

- 1. Loss of driving privileges on school property**
- 2. Vehicles being towed at owner's expense.**
- 3. Prosecution for serious and reportable violations.**

These rules will be **STRICTLY ENFORCED** at all times.

I have read and understand all of the above information.
