LATE ARRIVAL REQUEST

PARENTAL AGREEMENT

A request for a LATE ARRIVAL offers additional educational opportunities for some students of Lake Region High School. At the same time, it places great responsibilities on their shoulders. Students are expected to abide by all the procedures of this request and all other policies and requirements of the school.

I, _____, do understand that procedures and regulations
(Name of Parent/Legal Guardian)
pertaining to a request for a LATE ARRIVAL and hereby authorize my son/daughter,
_____, to participate in said request. I understand and agree that if my son/daughter is scheduled so that his/her first class begins after the official opening of the school day, the school staff, administration, and school board shall not be held responsible for his/her supervision while off school property, nor for any injuries that might occur to him/her before arriving on the school grounds. I will assume full responsibility for him/her when he/she is off school property as permitted by this request for a late arrival.

I understand that my son/daughter must arrive at school directly at the beginning of his/her first scheduled class and not loiter in or about the school building or grounds. I also understand and agree that my son/daughter may be removed from this privilege if he/she is found to be in need of Academic Support. (Note: Academic Support is defined as being when a student has two or more D's or F's. **Juniors and seniors who are in need of Academic Support will be assigned to a supportive study hall and may need to alter early dismissal or late arrival times to accommodate the schedule change.**)

If you have any questions, please contact the Assistant Principal.
